Nemak Press Release

Monterrey, Mexico, June 21, 2016. - Nemak, S.A.B. de C.V. ("Nemak") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, informs that Giovanni Barbero, Vice President of Manufacturing, is retiring from the company. He will be replaced by Dietrich Kahn, who is currently our South America Business Unit Director. Dietrich's new title will be Vice President of Manufacturing and Product Development. These changes will be effective July 1.

Dietrich has been with Nemak for more than 7 years. He earned a PhD from RWTH Aachen University in Germany.

Also effective July 1, we are combining our USA & Canada and South America operations into a single business unit. Luis Manuel Peña Cavazos, who headed our South America operations prior to assuming his current position of USA & Canada Business Unit Director, will have the position of USA, Canada & South America Business Unit Director.

Luis has been with Nemak for more than 18 years. He earned a bachelor's degree and a master's degree from ITESM.

About Nemak

Nemak is a leading provider of innovative light weighting solutions for the global automotive industry specializing in the development and manufacturing of aluminum components for powertrain and body structure applications. As of year-end 2015, the company employed more than 21,000 people at 35 facilities worldwide and generated revenues of U.S. \$4.5 billion. For more information about Nemak, visit www.nemak.com
