Nemak wins Supplier of the Year award from General Motors

- **As a 16-time winner, Nemak is one of the most recognized suppliers in award's history**

Monterrey, Mexico. June 24, 2020. - Nemak, S.A.B. de C.V. ("Nemak") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, today announced that it has been named GM Supplier of the Year for its outstanding performance as a supplier of cylinder heads and engine blocks in 2019.

"We are honored to receive this award. Being one of the ten most recognized suppliers in the award's history is evidence of our customer focus and our commitment to continue to develop innovative lightweighting solutions that further drive sustainable mobility," said Armando Tamez, CEO of Nemak.

GM's Supplier of the Year award is reserved for suppliers that distinguish themselves by going above and beyond GM's requirements, providing customers with the most innovative technologies and highest quality in the automotive industry.

There were winners from 15 countries and they were chosen by a global team of GM purchasing, engineering, quality, manufacturing, and logistics executives.
