

Nemak receives Supplier of the Year award from General Motors

- **This is the 20th time Nemak has received the Supplier of the Year award, being one of the most recognized suppliers in the award's history.**
- **Nemak has received this award for the last four years in a row.**

Monterrey, Mexico. March 17, 2022. - Nemak, S.A.B. de C.V. ("Nemak" or "the Company") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, today announced that it was named GM Supplier of the Year for 2021.

This is the 20th time Nemak has received this distinction, maintaining its status as one of the most recognized suppliers in the award's history. In addition, the Company has won this award for the last four consecutive years.

"Customer focus is of paramount importance across Nemak. This award is an attestation of our focus on consistently exceeding our customers' expectations and our sustained commitment to jointly developing the lightweighting solutions driving sustainable mobility forward," said Armando Tamez, Nemak's CEO.

The Supplier of the Year award winners were selected by a global team of GM purchasing, engineering, quality, manufacturing, and logistics leaders out of more than 20,000 companies. Winners were chosen based on performance criteria in Product Purchasing, Global Purchasing and Manufacturing Services, Customer Care and Aftersales, and Logistics.
